# Temporary Electoral Canvasser Two Temporary Electoral Canvasser post - covering a five week period (18 September to 22 October 2018)

#### **Salary £1,400**

(includes mileage, evening & weekend enhancement, holiday pay & training)

A bonus is also available for exceptional return rate.

Every year the council appoints a number of temporary canvassers to assist the Electoral Registration Officer with producing a new electoral register, which is published on 1 December.

In July, every property in the District is sent a 'Household Enquiry Form' (HEF), which contains the current details (names etc.) held on the Electoral Register about that property. A response is required (by law) to confirm or amend the details in order that the register can be updated.

Once a completed HEF is received, any new eligible electors added to the form will be sent an Invitation to Register (ITR), which they must individually respond to (either online at <a href="https://www.gov.uk/register-to-vote">www.gov.uk/register-to-vote</a> or via the paper form) in order to be registered.

If no responses are received to either form, a reminder form is sent in August and if there is still no response, personal visits must be undertaken to try and obtain the information on the doorstep.

To meet their legal duty the ERO employs a team of temporary/sessional canvassers. Work is carried out in a person's own time, primarily at evenings and weekends. For council staff this will mean working outside of your normal council duties.

Canvassers are allocated a specific canvass area and are required to make at least two personal visits, at different days/times, to non-responding properties and non-responding individuals. Visits are undertaken to assist with the completion of HEF/ITR forms and/or to encourage those people not registered to do so. You will be required to approach and engage with each outstanding household in your canvass area to obtain information about who resides there and who qualifies to register for voting. This will involve talking to a responsible adult at each of the properties, assisting them to complete their form and where necessary obtaining the prescribed personal identifiers (national insurance number and date of birth). Good people skills are essential in this role as is the ability to use a mobile tablet device or the willingness to learn how to use one.

This position will suit a person who has time to visit properties during the day, evening and at weekends. You will need to be physically capable of walking some distances including climbing of steps and you will need access to transport. Canvassers are required to complete the canvassing activity within the set timeframe. During this stage, canvassers will be expected to make at least two calls to non-responding properties, at different times to maximise the chance of catching the residents in.

It is important to you and to us that we establish a clear commitment. Payment will be made as promptly as possible following the end of the personal canvass and could be subject to income tax unless you have a tax exemption certificate.

For further information regarding the above we encourage you to refer to our website <a href="https://www.n-kesteven.gov.uk">www.n-kesteven.gov.uk</a>. Alternatively, telephone 01529 308218.
